

Challenge 4. – Crescent Harbor, WA

Your team is now in the North West where things have gotten a little colder. You'll be starting on your mountain bikes so have your helmet and bike shoes ready and throw on the Rotating Map Holder for this fast thrash around the island.

Check Point	Instruction	Question	Answer
Start	Find the northern most point of Jones Road.	What is the UTM of the nearest building?	0531040 5357830
